السلام عليكم

Training Program for SSGC Employees

Dear Gondal,

Having been trained on defensive driving, we must say that we are thoroughly impressed with your professional skills. I don't believe I have ever attended a more efficient, smooth running, and simple yet comprehensive program such as yours. I was particularly impressed with the way you trained & interacted with our drivers, who remained comfortable and alert throughout the training program.

Your training was extremely chivalrous and you went out of your way to explain various functions and answer the queries raised by our drivers and executive

We are sending you a couple of copies of our official news letter "FLAME" in which you will find a detailed report of the Safe Driving Workshop conducted by your organization at SSGC Regional Office Hyderabad.

Thank you again for your enthusiasm and zest during your stay with us.

Yours Sincerely,

Muhammad Saleem Khan Sanjrani
General Manager (HSE)
